Opportunity to Protect Our Protectors

Shield616 works tirelessly to help first responders go towards danger knowing that they have the best physical protection available and the love of their community behind them. Their passion is to serve first responders, including police, sheriff, fire, and EMS.

The TOUR de SHIELD616 is a fundraising bike ride on June 19-23 that is making a stop in Excelsior. The ride helps to provide vests and is also a promise to never forget those who gave the ultimate sacrifice. This year they will be honoring Pope County Sheriff Deputy Josh Owen EOW 4-15-23.

Our Savior has the honor of hosting about 40 riders, many of which are first responders, on Thursday, June 20. They will be arriving in the late afternoon, eating supper, and staying overnight in our Community Center. They will eat breakfast and continue their ride across Minnesota.

What can you do to help?

- ♥ Would you like to welcome, share the Gospel, pray over and love on these bikers/first responders?
- ♥ **Would you like to help cook or serve a spaghetti or taco dinner with salad, watermelon and dessert (5-6pm). We have four volunteers and could use one or two who are familiar with the kitchen.** (serving 40)
- ♥ Breakfast is covered now. (serving 40)
- ♥ **Contact Laurie.Bromenshenkel@oslcs.org.**

Would you like to donate to this organization as they help protect our protectors? <https://shield616.org/2024-tour-de-shield616-minnesota-ride/>

Missionary Updates

Check out the Bulletin Board in the Fellowship Hall to see much more about these missionaries.

Lutheran Braille Workers

The Summer Illuminations newsletter is available. Read about Keyla, who has been blind since birth. At age 3 a small portion of vision returned and she knows it was God who blessed her with that little bit of sight. She has received her very first Braille Bible. She can now read easier and put less strain on her one eye. It has been a blessing and a door opening to a whole new world for her.

LCMS International

The Nelson Family is new to receiving support from us. They happen to live very close to the Wood's family in Medan, Indonesia. But they do very different work. Rev. Paul Nelson traveled to 8 different countries in 2023 supporting missionaries serving in Sumonta, Java, Borneo, Bali, Sumbawa, Flores, Celebs, Banda Islands and New Guinea. His January 2024 Newsletter and a recap of all of 2023 can be found on the bulletin board. Check it out!

Time to Revive

Jerry Rosamond continues to share the Gospel. He and Matt M were at Our Savior for this year's Journey to Easter praying for and sharing resources. He attended the National Day of Prayer at the Minnesota State Capitol. He will be going to Bozemen, Montana June 10-15 to train and equip. The state of Montana is only 2% Christian. Jerry and friends continue to go to Shady Oak Park to share their testimony and share the Gospel of Jesus Christ.

Lutheran Bible Translators

Ruthie Wagner has recently returned from another Kerewe Bible Translation training workshop in Tanzania. Her 18 day trip was very productive. They had hands on training in both the Logos and Paratext software. Ruthie is working on developing Exegesis training she can share remotely with her colleagues in Tanzania to increase effectiveness through improved communication and collaboration within the team. She also shared updates of their 4 children.

Samaritan's Purse

Samaritan's Purse has deployed Disaster Relief Units to Miden, Iowa; Elkhorn, Nebraska; and Slidell, Louisiana. More teams are responding to flooding in Houston, Texas and a storm in Rock Hill, South Carolina.

At times like this, they need extra volunteers. If God is calling you to help, sign up at spvolunteer.org.

Lutheran World Relief

Quilts provide warmth, shelter and a tangible gift of love to neighbors in need. Did you know quilts also help children grow up strong and healthy? In Njombe, Tanzania—where 1 in 3 children is stunted due to malnutrition—children also fail to grow because they are cold. Thanks to loyal LWR quilters, nearly 9,000 children in Njombe have quilts to keep them warm and prevent the serious life-long effects of stunting.
